

Dear Recruiting Team,

I am excited to apply for the Senior Frontend Engineer position at **Bonrepublic GmbH**. With over 4 years of experience in frontend development, I am confident that my skills and experience align with what you are looking for.

In my current role, I have honed my eye for detail and developed a dedication to producing high-quality work that exceeds expectations. I am a self-starter who can work independently or as part of a team, and I have a proven track record of meeting deadlines and achieving targets.

I am proficient in HTML/CSS, JS/TS, and React, and I have experience working with agile methodologies. Additionally, I am always eager to learn new technologies and techniques to improve my skills and stay up-to-date in the ever-evolving field of web development.

Thank you for considering my application. I look forward to contributing my expertise and passion for frontend development to the success of your team.

Sincerely,

Denis

Let me know if you have any other questions or if there's anything else I can help you with.
